About Us

Bosome Estates Limited is a Ghanaian-owned real estate development and construction company established in 2016. We specialize in delivering high- quality real estate solutions, from residential and commercial property development to general construction and infrastructure projects. Over the years, we have built a solid reputation for excellence, reliability, and professionalism in the built environment.

Our Services

We offer a comprehensive range of services tailored to meet the diverse needs of our clients, including:

Real Estate Development

- Designing, constructing, and selling residential and commercial properties.

General Construction

- Building and infrastructure development for various sectors.

Renovation & Remodeling

- Upgrading and modernizing existing structures.

Project Management

- Planning, executing, and supervising construction projects efficiently.

Our Clients

Bosoms Estates Limited serves a broad range of clients, including:

- 1 Private Individuals** – Providing affordable and luxury housing solutions.
- 2 Government Institutions** – Executing public sector projects, including office buildings, schools, and infrastructure.
- 3 Corporate Organizations** – Delivering commercial real estate solutions tailored to business needs.
- 4 Non-Governmental Organizations (NGOs) & Agencies** – Supporting development projects that positively impact communities.

Our Vision

To be a leading real estate and construction company in Ghana, delivering innovative, sustainable, and high-quality projects that enhance the built environment.

Our Mission

To provide quality and affordable housing solutions for individuals and businesses.

- To uphold the highest standards of professionalism, integrity, and efficiency.
- To contribute to Ghana's infrastructure development through reliable construction services.

Why Choose Us?

Experience & Expertise – A team of highly skilled professionals with years of industry experience.

- **Quality & Innovation** – Commitment to superior craftsmanship and modern building techniques.
- **Client-Centered Approach** – Prioritizing customer satisfaction with tailored solutions.
- **Timely Project Delivery** – Ensuring that all projects are completed on schedule and within budget.

Projects & Works Completed

Since our establishment, Bosoms Estates Limited has successfully completed a variety of projects across different sectors. Some of our notable works include:

1. Construction of Residential Estates – Development of modern gated communities and standalone houses for private clients.
2. Government Office Buildings – Design and construction of administrative offices for government agencies.
3. Educational Facilities – Construction of classroom blocks, dormitories, and school infrastructure.
4. Commercial Complexes – Development of shopping centers, office spaces, and retail buildings.
5. Infrastructure & Road Works – Construction of access roads, drainage systems, and site development works.
6. Renovation & Remodeling Projects – Upgrading and refurbishing existing buildings for enhanced functionality and aesthetics.
7. Affordable Housing Projects – Partnering with organizations to provide cost-effective housing solutions.
